Hi John,

This is a very unique situation. It is my understanding that this will be a notice, **Ex. 5 Deliberative Process (DP)**

## Ex. 5 Deliberative Process (DP)

If we want to make the July tiering cycle (I think this is OP's preference) we need to have this to OW WPS by no later than noon Wednesday, July 27th, we can definitely tweak the attached, so folks should feel free to do so. We can try to put TBD for dates, and see if OMB forces dates in the pass-back.

Many Thanks!

Anyone have any information on this. If this is a new OWOW regulation we need to get it tiered. Looks like they want it to be in this Reg Agenda cycle, so we need to move quickly, if we are in fact ready to go.

Let me know who will be the contact.

Many Thanks!

Tomeka: The attached action is a Notice of Availability that OMB wanted us to add to the Spring 2018 Reg Agenda. Please ask your management about tiering this action (as a tier 3).  
OP asked us to tier to submit tiering forms this now for the Reg Agenda entries for the Fall. This is a reg agenda entry and we'll need to have it in ADP tracker for the Fall Reg Agenda.

Thanks,  
Sandy
